## **Definition and Core Principles**

Christian ethics from the margins emphasizes a moral framework that is informed and shaped by the lived experiences of marginalized groups. It recognizes that traditional Catholic, Protestant, and broader Christian moral teachings often reflect dominant cultural values, which may overlook or marginalize the realities faced by vulnerable populations. Key principles include: - Empathy and solidarity: Prioritizing the voices and experiences of those who are often unheard. - Justice as central: Ensuring social structures serve the dignity of every person, especially the oppressed. - Contextual morality: Understanding that ethical decisions are rooted in specific social, economic, and cultural contexts. - Hermeneutics of suspicion: Questioning dominant narratives and power structures that shape moral norms.

## **The Biblical Foundation**

The biblical narrative provides ample support for ethics from the margins: - The Hebrew Bible often champions the cause of the oppressed—e.g., God's special concern for widows, orphans, and strangers (Deuteronomy 10:18-19). - The life and

teachings of Jesus exemplify a ministry focused on the marginalized—tax collectors, sinners, women, and the poor. - The Beatitudes (Matthew 5:3-10) highlight blessedness for the meek, the merciful, and those who hunger for righteousness.
