The Genesis of RCCG Vision 2032 Background and Rationale

The Redeemed Christian Church of God, founded in 1952 by Pastor Enoch Adeboye, has grown exponentially over the decades, transforming from a local Nigerian congregation into a global religious movement. Recognizing the rapid social, economic, and technological changes shaping the 21st century, RCCG leadership identified the need for a forward-looking strategic plan. In 2022, during the church's leadership summit, the Vision 2032 blueprint was officially unveiled, marking a decade-long commitment to growth and transformation. This strategic plan aligns with Nigeria's national development goals, the United Nations Sustainable Development Goals (SDGs), and the church's spiritual mission to evangelize and uplift communities. The primary motivation behind Vision 2032 is to harness the church's spiritual influence to foster societal prosperity, leveraging faith-based initiatives to address issues like poverty, education, health, and community development.

Maintaining Your Books
