What Are Daily Word Ladders?

Definition and Basic Concept

Daily word ladders are a series of interconnected word puzzles where students transform one word into another by changing a single letter at a time. Each step results in a valid word, creating a chain or "ladder" that demonstrates how small changes can alter meaning and pronunciation. Typically, daily word ladders involve:

- A starting word
- An ending word
- Several intermediate steps
- Rules such as changing only one letter at a time, maintaining proper spelling, and forming real words at each step

These activities are often designed to be completed within a short period, making them perfect for daily classroom routines.
