Raman then pretended to be a magician and convinced the thief that Raman himself could cast a spell to catch him. Raman challenged the thief to a contest of wit. Raman agreed and bought a large bag of rice, claiming he could sell it at a higher price. However, Raman cleverly exchanged the rice with a bag of stones when the merchant was not looking. When it was time to sell, Raman showed the merchant that he had made a profit, but in reality, he had only exchanged the items.
