Active Listening and Problem Identification

Agents should listen attentively, asking clarifying questions to understand the customer's needs fully. Sample prompts include:

1. "Can you please tell me more about the issue?"
2. "When did you first notice this problem?"

3. Alternatives or escalation procedures if necessary

Closing the Call

A positive closing ensures the customer feels valued and satisfied.

Incorporate Empathy and Positive Language

Empathetic phrases help in building trust. Examples include:

Designing a Sample Inbound Call Center Script

Sample Greeting

Agent: "Good morning! Thank you for calling [Company Name]. My name is [Agent Name]. How can I assist you today?"
