Origins and Context: George MacDonald's Literary and Philosophical Foundations

The Life and Inspirations of George MacDonald

George MacDonald (1824–1905), often regarded as a pioneer of modern fantasy literature, was a Scottish author and preacher whose works reflect a deep Christian faith and a belief in the transformative power of love and virtue. His own spiritual journey and theological reflections deeply influence *The Princess and the Goblin*, which intertwines moral allegories with enchanting storytelling.

Literary Landscape of the 19th Century

The Victorian era was marked by a surge in children's literature, with authors such as Lewis Carroll, Hans Christian Andersen,

and the Brothers Grimm revolutionizing storytelling with fantastical tales.
